Pay Online

Make Payments Online!

Louisa-Muscatine School District is pleased to bring you the online convenience of our online payment processing system. You are able to make school-related payments online with your credit card at your convenience from our school's Web site.

How It Works

Access our online payment system from our school's Web site at <http://www.lmcsd.org>. Click on "Pay Online" to make purchases of all available products in this one location.

You will need to enter your student's User Name (their school student/lunch number) and the Password (your child's last name which is case sensitive, so use capital and small letters where necessary). Then click on "Sign In". If you have more than one child, you need to make payments separately, so go through these steps for each child.

Click on your child's name (in blue letters).
Click on "Product's at Student's School" (on the right side of the page under "Shop")
Select the items you would like to pay for (Book Fees, Lunch fees, etc.)
Follow the steps to complete the process.

Benefits For You

Not only is this service a convenience for you, it saves district resources that can be spent on your child's education. Benefits:
